## Description

Ray White Marine is proud to present the rare straight shaft model Diesel SeaRay 410 Express Cruiser

With a huge hydraulically lifted cockpit floor reveals the twin Caterpillars coupled to straight shafts, the Westerbeke generator, and of course the battery bank and the remaining electrical and mechanical peripherals - sensational access, and there's still room for a mechanic!

Two cabins take care of overnighting duties with the starboard cabin opening up to add considerable seating capacity to the already ample saloon lounging area. Zoned airconditioning and comprehensive audio visual entertainment systems complete the below decks scenario.
