Description

This 2004 Riviera M430 Sports Cruiser is a good example of what quality boats Riviera are built to. This vessel, in particular, is well equipped ready for summer. The vessel is a spacious family boat for a week away at the islands or just the weekend. They are a high performance designed hull that can be put through any conditions you throw at it.

From the factory, they were well equipped featuring, radar, autopilot, charger/inverter, Kad Volvo diesel engines plus much more. This vessel has very low hours for its age and has had a lot of money spent on her throughout the years. As you walk onboard the Riviera M430 there is a huge cockpit with a U Shaped lounge with dining table, massive drinks counter with an ice maker, a 12v drinks fridge, also a sink and TV, the helm station is fitted with a comfortable two-person seat with 360-degree vision around the boat. As you walk through to the cabin there is a massive kitchen with an electric cooktop, overhead cupboards, cupboards under the kitchen benchtop plus much more. Also on the other side, you have a U-shaped lounge with a dining table, two spacious cabins one with a walk-around island double bed, the other with a double bed and also a single. Both cabins have hanging space as well as additional storage cupboards.

The cabin boasts headroom and volume with an ample amount of opening hatches for a fresh breeze, the bathroom also has an ample amount of head height and a shower and toilet. The M430 was a popular sports cruiser from new and still is a very popular model now. Contact Joshua Dicker on 0479 100 029 for your personal inspection onboard this vessel. It won't last long with today's market!
