Description

Explore this beautifully appointed and well maintained 2005 Sea Ray 425 Sundancer proudly listed with Ray White Marine located in Newport, NSW. Serving for years as a highly popular and staple vessel of Australian waterways, this 425 Sundancer is expertly designed and equipped for entertaining, cruising, and weekend getaways. The current owners have meticulously maintained and serviced this highly sought after Sundancer.

Powered by Twin 8.1L Mercruiser (380HP Each) sterndrives clocked at only 800 hours. The Sundancer 425 boasts incredible performance and noise remains dampened from the thoughtfully designed exhausts. Furthermore, for a single owner-operator, the addition of a bow thruster is indispensable providing confidence when berthing or picking up guests in challenging conditions.

At the helm you will find two captains chairs with simple access to all helm controls and uninterrupted visibility with a wraparound windshield seamlessly enclosed by clears that extend to the hardtop.

The cockpit area features U-shaped seating, comfortably accommodating at least eight guests around the table, with a nearby wet bar equipped with a sink, fridge, and barbecue at stern for your convenience. Due to the clears fully enclosing the vessel, you will remain protected in all weather conditions.

In the lower saloon, you are welcomed by an expansive and airy space, thanks to the vessel's generous beam and height below deck. The master suite at the bow includes a separate head and shower on the port and starboard sides, respectively. Additionally, a convertible sofa aft and a dinette provide an extra three berths, accommodating additional overnight guests with ease.

Furthermore, the streamlined galley is on port as you enter the lower saloon, ensuring everything is close at hand when you are entertaining. It boasts both a fridge and freezer (as well as an additional fridge in the cockpit), including a Kenyon two burner induction stove, microwave oven, and a foldout TV which faces the dinette.

Noteworthy Features:

-

Gas BBQ Aft

-

Victron System (With solar and inverter)

-

Brand new Sirocco Tender / 25hp Yamaha (Purchased January 2023)
