Description

2011 Viking 82 Enclosed Bridge LITTLE AUDREY

As you step aboard LITTLE AUDREY, the expansive teak cockpit immediately captures your attention. Below deck, advanced features such as the Seakeeper gyro, spacious fish boxes, transom live well with tuna tubes, and an air-conditioned mezzanine ensure top-tier comfort and functionality. Moving into the salon, the custom-designed galley—crafted by the original owner with a deep knowledge of yachts—creates an open and inviting space. To port, you'll find a large L-shaped sofa with storage underneath and a versatile hi/low cocktail table. A spiral staircase leads you to the enclosed flybridge, offering seamless access. The galley layout enhances the flow of the area, with a large dinette providing ample seating for guests. Forward and starboard, a large pantry houses a commercial-sized washer/dryer, drawer storage, and a large chest freezer.

Below deck, the yacht offers luxurious accommodations. Aft, the full-beam master suite includes an ensuite head, abundant closet space, and ample storage. To port, the crew stateroom features over/under bunks, an ensuite head, and generous storage. Starboard aft is the guest stateroom, furnished with side-by-side beds, an ensuite head, and ample closet and storage space. Another guest stateroom to port forward offers similar side-by-side berths with an ensuite head, closet, and storage. At the centerline forward, the queen stateroom boasts an ensuite head with a large shower, ample closet, and additional storage space, completing the luxurious layout.
