Description

This genuine Australian delivered 2014 Sunseeker Predator 80 is one not to be missed, being the only one of its kind in Australian waters,

Exceptionally maintained and cared for, absolutely no expense has been spared supporting this vessel.

In 2021 she underwent a substantial refit and upgrade reflecting its current condition. The main deck boasts an enormous open plan saloon with formal dining for eight guests under a carbon fiber and glass opening sunroof, flowing outside to the cockpit you will find a second exterior dining arrangement seating nine guests, a cocktail bar to the starboard side, corian bench sink, cool box and ice-maker to the port side, with an oversize aft sun lounge, retractable awning if needed.

The fore-deck will find a third dining setting for six guests with a generous retractable sun lounge forward. A lower-level galley is situated amidships featuring a full house of Miele appliances with a full-size subzero fridge freezer. The galley has great vision out through a full-size window providing generous light and views. The accommodation plan consists of a four-cabin layout plus two crew, a broad size forward Queen VIP with ensuite, Port side twin bunk, Starboard side twin single with shared day head, aft of this finds a spacious full beam king-size master stateroom with ensuite and opposing walk in robe. Separate crew quarters outboard of the garage sharing a full-size head, two bunk's, one converted into storage with a Idromar MC3J 280Lph desalinator recently installed.

Her garage houses a 445 Williams Sport Jet, with ample space for water sports equipment or general storage. The platform offers the versatility of supporting a second tender or large JetSki with a maximum weight of 650kg, a removable stainless steel bait board/ barbecue mount also included.

"Karma" is powered by a pair of 1825hp CAT C32s providing a sprint speed of 32kt's and an economical cruise as low as 9kt's thanks to her Sleipner SPS 90 Vector fins, also providing stabilisation at rest. The full height engine room provides adequate access to her main engines Onan generators and all other engineering accessories giving envy to most engineers thanks to her Marco oil change system.

All service history is up to date, documented and is ready for immediate delivery.
