Description

All offers will be submitted!

This brand new, high quality, Italian made Sea Prop inflatable is the ultimate day boat. The boat is approximately 32 ft long. It has a shower, two sinks, toilet, GPS/fish finder, fridge, stereo, ice chest, brand new twin 150HP Mercury's (under warranty), an amazing sea boat which is great in rough water.

The boat has a large sun lounge at the front, however, the best feature is in the cockpit. The boat has a huge U-shaped lounge with an electric table, which comes out from the floor. If the table is down you would have a large open entertaining area. If you put the table half way up, there are cushion inserts which make it into a huge sun lounge. It also works obviously at the full height as a table. The boat has ample amount of storage.

The boat has under water LED lights, interior LED lights, a bimini. It has a stainless steel swim access ladder with handrails. A large transom which you could fit two chairs on and a gas barbecue if desired. An electric anchoring winch with two controls from the bow or helm.

Within the bathroom/shower area there is a small cushioned area for a baby/small child to sleep out of the sun if necessary.

The interior is a classy beige colour, the hull colour is black and the pontoons are carbon fibre black.

Capacity: 16 people.
