Description

Step into a world of maritime opulence with the Ferretti Yachts 670 - a symbol of sophistication and performance on the high seas. This sleek and stylish vessel promises an unparalleled yachting experience, combining exceptional craftsmanship with cutting-edge engineering.

The added option of a hard top, elegantly finished in a sophisticated grey color, not only adds a touch of modern elegance but also provides an unobstructed open-air experience, perfect for embracing the wind and sun while cruising. The exterior sidewalks are thoughtfully adorned with tasteful lights, ensuring both safety and aesthetics during evening voyages, adding to the yacht's allure.

Equipped with a powerful Stern Thruster featuring a double propeller design, navigating the waters becomes effortless and precise. The teak accents on the spoiler and sidewalks, complemented by grey caulking, bring a touch of refinement to the yacht's appearance, making a statement of luxury and elegance.

Versatility meets indulgence with convertible bow tables, seamlessly transforming into a serene sunpad, providing the ideal spot for relaxation and taking in the mesmerizing surroundings of the sea.

The flybridge offers an inviting entertainment space with a refrigerator and a gaggenau grill, while the Makonil teak table becomes the perfect gathering spot for cherished moments with family and friends.

Practicality blends seamlessly with luxury as the yacht is equipped with shore fresh water intake and a shore cable extension, extending your reach and enhancing the flexibility of your voyages. The galley is furnished with modern appliances, including a dishwasher and a cooler drawer in the saloon, while the garbage container in the cockpit ensures a tidy and enjoyable environment.

Ascending to the flybridge, you'll be enchanted by the captivating ambiance created by the underwater lights, transforming your evenings onboard into magical experiences. The Additional Crew Cabin, complete with a sliding bed, caters to extended journeys, providing enhanced versatility and accommodating comfort for your crew.

Upgraded tropical airconditioning throughout the saloon, cabins, and crew area guarantees your comfort, regardless of the climate. Classic wooden "Venetian" curtains in the bathrooms add a touch of timeless elegance, while ambient lighting sets the perfect mood for tranquil moments at sea.

Mechanically, this vessel is engineered for excellence, featuring a powerful Onan 19 kW Generator and Idromar Watermaker, producing 180 liters per hour, guaranteeing a steady supply of fresh water during your voyages.

Entertainment and communication are a priority, as evidenced by the Satellite TV Antenna Predisposition and upgraded SIMRAD displays in both the main helm and flybridge positions. The advanced Gyro Stabilizer system provides an exceptionally smooth ride, promising a sense of tranquility even in challenging waters.

Beauty and functionality seamlessly converge on this vessel, exemplified by the master bathroom's exquisite Florim finishing and the custom parquet flooring on the main deck.
