Description

We are proud to present an exquisite and newly listed 2023 Regal 38 SAV (Sporting Activity Vessel), an unrivalled vessel for a seamless combination of fishing, cruising, and entertaining. In a league of its own, this vessel's versatility truly caters to all occasions on the water.

Just shy of 40 feet, this centre console features an impressive 3.6-meter beam, offering a remarkable amount of space. It includes a roomy bow, a generous cockpit, functional helm, and a practical cabin.

In terms of power, a suite of triple 300 Yamahas totalling 900 horsepower propel the vessel to a staggering 44 knots or an economic cruise at 28 knots. At the helm there are dual Garmin screens, joystick and bow thruster controls, and finally access to a retractable sunroof

Furthermore, the vessel has the ability to accommodate 4 guests overnight, a rarity amongst centre consoles in its size range. Below deck is fully air-conditioned with a convertible queen V-berth, as well as a double bed which can convert to a lounge during the day. There is also a microwave oven for reheating food and a full head height bathroom with a shower, sink, and toilet.

In the cockpit of the vessel, your friends and family can enjoy a full view of a fold-out flatscreen TV including access to a wet bar with a grill. In terms of fishability, the cockpit is abundant with below deck storage, outriggers, down-riggers, and rocket launchers.

The team at Regal has ticked every box with their 38 SAV providing a new owner with capabilities to entertain friends, family, and everything between.
